Box 74 EMI Remnants— 5th of six EMI boxes

Discs in this box were discovered after the other EMIs were sorted; most are in excellent to superb condition. The pricing reflects the market current value: high values are marked* with market price [shown in a bracket]. This list seeks a 40% market value wherever possible. A minimum \$5 dollars reflects the objective of supporting the Newport Symphony Orchestra. Most have been issued on other EMI labels, and all but a few have been issued on CD.
